DIANA
STROUB

"A great soul never dies, they live on forever in our heart."

It is with great sadness that we inform you of the passing of one of our first employees at Mitchella, Diana Stroub. She was a valued member of our Mitchella team for eight years, and a wine club member and friend for seventeen years. She has been an integral part of our Mitchella family since the beginning of our journey. She was always known for her caring heart, infectious laugh and beautiful smile. She will be extremely missed, but we have peace knowing her and Angela are together again reminiscing about their great memories at Mitchella. We send our heartfelt condolences to all those whose lives she touched.
